

Customer Care Policy

CLI Heating Ltd. are committed to service delivery that is totally customer focused. This philosophy is underpinned by our Customer Care Policy, which is shown below. Customer Care training is undertaken in-house to ensure that all levels of staff are made fully aware of their roles in Caring for the Customer.

At the heart of this commitment is communication: honest, timely and sensitive to the customers needs. We place the highest emphasis on respect for our customers: we work in partnership with both customers and suppliers to achieve jointly set project goals.

We place great importance on the valuable feedback we receive via our Customer Satisfaction Surveys and tenant questionnaires which every client is invited to complete at the end of each project. Our Customer Care is our culture: an attitude and action philosophy.
